

Shop with Amazon

We've partnered with Amazon to create a September shop — turning everyday shopping into extraordinary support. It's a simple way to boost fundraising, support your team and make a real impact this September.

What is the Amazon September Storefront?

❖❖❖ amazon.com.au/shop/stepember ❖❖❖

Every purchase through our shop helps make an impact, with commissions earned by September supporting early detection and therapy for babies with cerebral palsy.

Simply add any item from the September Amazon Storefront to your cart, then continue shopping as usual. As long as one storefront item is included in your cart, September earns a commission on your entire purchase.

Prizes and incentives for the team? *Covered.*
Routine office supply order? *Sorted.*
Challenge essentials? *Done.*
General household items? *Yep, we've got you!*

How it works: 4 simple steps

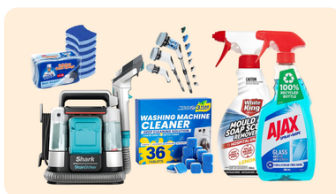

- 1 Visit the September Shop**
Go to: www.amazon.com.au/shop/stepember
- 2 Browse & add to cart**
Choose from a curated range of products from home essentials to fitness gear and tech.
- 3 Shop as normal**
Continue shopping across Amazon as you usually would.
- 4 Make an impact**
As long as one storefront item is in your cart, September earns a commission on your entire purchase.
